REPORT OF PUBLIC HEALTH NURSE

The following is a report of the activities, conducted by the N. H. Department of Health Bureau of Public Health Nursing, for the residence of Wentworth for the year 1962.

The people of Wentworth, children and adults, were invited to attend the Sabin Polio Vaccine clinics in Warren and Plymouth. A good number took advantage of this opportunity. In the pre-school age group 19 children completed three types of vaccine, seven others had one or two types. The records of these pre-school age groups have been turned over to the private physicians designated on the cards signed at the clinics. If you have not completed three types of Sabin you should consult your family physicians.

Several children also attended Immunization Clinics in Warren during the summer and fall and received immunizations for Diphtheria, Tetanus Whooping Cough and Smallpox vaccinations. Others received physical examinations at the Warren clinics.

My sincerest thanks to the Wentworth Woman's Club for sponsoring one of the Warren Sabin Clinics for school and adult ages.

Children have been followed at the Chest X-Ray Clinics in Plymouth conducted by the N. H. Tuberculosis Association and N. H. Division of Public Health. These are a result of the Tuberculin Sterneedle Testing done in the school in 1961. Reports are sent to parents and school nurses.

Home visits have been made. Cases have been referred to N. H. Sigh Conservation Program, N. H. Vocational Rehabilitation Program and to various clinics as necessary. Follow-up has been done on these cases.

Respectfully submitted,

LOIS REED, R. N.,

Public Health Nurse

Bureau Public Health Nursing,

Division of Public Health of N. H.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of
Wentworth qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in
said district on the eighth day of March 1963, at 7:30
o'clock in the afternoon, to act upon the following sub-
jects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the
ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the
School Board and Truant Officer, and fix the compension
of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Commit-
tees, or Officers chosen, and pass any vote relating
thereto.
7. To choose Agents, Auditors and Committees in re-
lation to any subject embraced in this warrant.
8. To see what sum of money the district will raise
and appropriate for the support of schools, for the sal-
aries of school district officials and agents, and for the
payment of statutory obligations of the district, and to
authorize the application against said appropria-
tion of such sums as are estimated to be received from
the state foundation aid fund together with other income;
the school board to certify to the selectmen the balance
between the estimated revenue and the appropriation,
which balance is to be raised by taxes by the town.

9. To see if the School District will vote to use the Town Check List as the check list for the School District.

10. To see if the School District will vote to adopt a plan for extending to employees of the District the benefits of Title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$45.00 to defray the District's share of the cost thereof.

11. To see if the District wishes to exclude from the plan services in any class or classes of positions filled by popular election.

12. To see if the District wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

13. If a plan for Social Security coverage is adopted, to see if the District will authorize the School Board to execute on behalf of the District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the District will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

REPORT OF SCHOOL NURSE

1962

The school nurse made 34 visits to the school and 10 visits to homes for conferences with parents.

Inspections were made frequently on all pupils and each class room visited.

Hearing and vision screening tests done on each pupil and notices sent home on each that did not satisfactorily pass the tests.

Notices were given on Immunization Clinics in Warren. Weighing and measuring of each pupil is done twice a year. First aid was given when necessary and conferences held individually concerning the pupil's health.

There was more sickness than usual this past year — mumps, chicken pox, questionable whooping cough and hard colds and sore throats. Referrals were made to various clinics.

Health records are kept on each pupil.

Respectfully submitted,

HELEN H. FISHER, R. N.

THE MUSIC PROGRAM IN WENTWORTH

To provide every child with meaningful, musical experiences has been our aim during the past year.

With the addition of two books for grades one and two and a set of books for grades three, four and five and the records that accompany them, we are better equipped to give students a variety of music activities. These include the singing of folk and art songs with emphasis on improvement of tone, recognition on tonal and rhythmic patterns and awareness of signs and symbols in music notation that will enable students to perform more artistically; rhythmic activities such as dancing, clapping

and the use of rhythm instruments; listening to music of various composers; and playing accompaniments on the autoharp.

Grades six, seven and eight have been singing in harmony, an activity that has been aided by the addition of a piano in that room.

Replacement of the record player is a most urgent need, since the tone arm "jumps the track" on most new records.

ARLINE E. WILSON,
Music Supervisor.

PRINCIPAL'S REPORT

1962 - 1963

Wentworth Elementary School

Wentworth, N. H.

The 1962-63 school year has progressed satisfactorily at the Wentworth Elementary School. At the present time, forty youngsters are enrolled.

For nine of these children this year represents their initial school attendance. Under the capable guidance of Mrs. Belyea, they have adjusted very well to an academic atmosphere, and have exhibited remarkable progress in their social development.

Recognizing the interests and the capabilities of the children of the middle grades, Mrs. Jesseman has ably assisted them in planning individual and group projects in social studies and art.

In grades six, seven, and eight, the newly developed interest in current affairs has been reflected in morning news reports and in bulletin board displays. In combining art and social studies, the sixth grade has compiled a well-illustrated, detailed booklet describing the central American countries and their cultures. Other stimulating art experiences for all three grades have included working with pastels and charcoal.

The exploration of other areas of subject matter has been maintained with the primary emphasis upon mathematics and reading in all eight grades.

The school library with its additional science books and high interest — low difficulty reading materials has been in constant use, and has provided substantial stimulation toward the use of the facilities of Webster Memorial Library. Two visits from the Bookmobile have augmented, in particular the supply of various types of books (biography, autobiography, fiction, and non-fic-

tion) which have been required for the monthly book reports in the upper grades.

We were pleased that our annual Christmas Program was so well received. Unquestionably, this program affords the children a valuable opportunity to develop both poise and confidence.

The success of this year's work may be attributed, in great part, to the continuing cooperation of the teachers, Mrs. Olive Belyea and Mrs. Dorothy Jesseman, the School Board, the parents, and the tactful guidance of the Superintendent, Mr. M. Wayne Bowie.

HORTENSE S. BROWN, Principal.

SUPERINTENDENT'S REPORT

There have been few changes I can report to you concerning your school this year.

Mr. Capon, the Principal who had been issued a contract, requested in June that he be released from it to take another position. Although we decided to let him go, the School Board and myself were concerned about whom we would get for a replacement. We were most fortunate when Mrs. Brown, whose husband is doing work at Plymouth Teachers College, decided to come with us. She has been outstanding and it was most fortunate she was available. In my opinion, the school is running as well if not better than at any time during the nine years I have been here.

This year we shall have to begin to replace series of textbooks and I am making allowances in the budget to do this. Most of our books in the various areas such as Arithmetic, Language Arts and Social Studies have been used for about four years which is considered

the life of a textbook. We can not replace these all at once but I would hope they would all be replaced within the next three years.

The pupils and teachers are grateful for the hot lunch program which is run so efficiently and well. My only recommendation here would be that the program be operated more weeks in the year. Most people would agree I think that children do better in school when they have a hot lunch at noon.

Some questions are beginning to arise concerning the future of our much discussed cooperative school plan. At the present time, various districts and Boards are awaiting the outcome of educational legislation to see if the report of the Interim Commission will be implemented in any way so there will be more incentive to cooperate. However, regardless of what happens in the legislature, I am quite sure that some time between this writing and next September the study will be picked up again — probably this time on the basis of a 9-12 high school. People in various districts seem to think this would be the best type of educational system to work for. I would hope, however, it could be proven after a few years under the 9-12 system that a 1-2 system would be far more economical. This, however, would be for the future to decide. At the present time, Plymouth High School is planning to accommodate all the high school tuition pupils who wish to attend for the 1963-1964 school year but for this period the building will be filled to near capacity and this same guarantee may not be possible again.

Please feel free to contact me if you have questions or problems concerning your school or the education of your children.

Respectfully submitted,

M. WAYNE BOWIE

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotations: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union".

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1961 - 1962 received a salary of \$8,500 which was made up as follows: \$4,250 paid from the per capita tax and \$4,250 prorated among the several school districts. Allowance of \$1,200 for travel within the union was also prorated as stated above.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 818.13	\$ 231.00
Dorchester	31.87	9.00
Plymouth	1,708.50	482.40
Rumney	565.25	159.60
Thornton	369.75	104.40
Wentworth	176.37	49.80
Woodstock	580.13	163.80
		<hr/>
		\$ 4,250.00 \$ 1,200.00

Superintendent's salary for 1961 - 62 based on the above figure is reconciled as follows: \$4,250 paid from State per capita tax plus \$4,250 paid by various districts, equals \$8,500 Superintendent's basic salary.

M. WAYNE BOWIE,
Superintendent of Schools
